

8. Cities and States

Albany, Newark, Pomona, Richmond, Savannah, and Wilmington are cities in California, Delaware, Georgia, New Jersey, New York, and Virginia.

Match them up from the clues below.

1. Not counting duplications, the name of the city in Georgia has only one letter in common with “Georgia.”
2. Not counting duplications, the name of the city in New Jersey has only one letter in common with “New Jersey.”
3. Not counting duplications, the name of the city in New York has only one letter in common with “New York.”
4. The names of the cities in Delaware and California are shorter than “Delaware” and “California,” respectively.

Chart for Problem 8

	California	Delaware	Georgia	New Jersey	New York	Virginia
Albany
