COMPARING NUMBERS

Circle the largest number in each set.
Draw a line under the smallest number.

Example:

3	(8)	7
4	5	2

E–1

8	1	5
9	7	3

E–2

23	18	10
9	8	21
15	19	6

E–3

12	22	8
5	16	27
18	11	14

E–4

103	98	93
115	167	144
95	135	163

E–5

263	135	422
342	208	195
482	190	364

E–6 Which is the largest number in all the sets?_____

E–7 Which is the smallest number in all the sets?_____
